

# 2017 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY

**WELCOME TO THE 2017 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY.** This directory lists the colleges and universities in the United States that offer an associate's, bachelor's, or master's degree in an aviation field. We show which type of degree is offered, and in which discipline(s).

For a searchable database, check AOPA's website ([www.aopa.org/colleges](http://www.aopa.org/colleges)). The database can be searched by state.

This directory is the largest, most comprehensive source of collegiate aviation programs available. But programs in the university environment are dynamic today. Please email [flighttraining@aopa.org](mailto:flighttraining@aopa.org) with any questions, comments, or updates.

—The Editors

AABI: Accredited by the Aviation Accreditation Board International ([www.aabi.aero](http://www.aabi.aero))  
 UAA: Member of the University Aviation Association ([www.uaa.aero](http://www.uaa.aero))

Degree Types: A Associate / B Bachelor / M Master  
 Degree Areas: Air traffic control / Aircraft maintenance / Airport management / Aviation business administration / Aviation management / Maintenance management / Professional pilot / Unmanned aerial systems
