

2018 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY

WELCOME TO THE 2018 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY. This directory lists the colleges and universities in the United States that offer associate's, bachelor's, or master's degrees in an aviation field. We show which type of degree is offered, and in which discipline(s). Check AOPA's website (www.aopa.org/colleges) for a database that can be searched by state.

This directory is the largest, most comprehensive source of collegiate aviation programs available. But programs in the university environment are dynamic today. Please email flighttraining@aopa.org with any questions, comments, or updates.
—The Editors

AABI: Accredited by the Aviation Accreditation Board International (www.aabi.aero)
UAA: Member of the University Aviation Association (www.uaa.edu)

Degree Types: A Associate / B Bachelor / M Master
Degree Areas: Air traffic control / Aircraft maintenance / Airport management / Aviation business administration / Aviation management / Maintenance management / Professional pilot / Unmanned aerial systems
