FLY-IN
2014

**JOIN US IN CHINO (CNO)!
SATURDAY, SEPTEMBER 20**

It's about the thrill of **Flying**...checking out
aircraft displays...riding in a vintage plane
enjoying an aerial demonstration...catching
up with old **Friends**...meeting new ones
getting to know AOPA's president Mark Baker...
enjoying good **Food** like a stack of pancakes
and a burger hot off the grill...the **Fun**
of shopping for the latest new products
learning something new to make you a better
pilot...sharing the day with your family!
