

SUN 'N FUN AOPA ACTIVITY TENT SCHEDULE APRIL 21-26, 2015

► TUESDAY, APRIL 21

- 10:00 - 10:45 Weather and Traffic on Your iPad: What You See and What You Don't with Eric Rush**
An incomplete picture could lead to disaster if you don't know what you're missing. Learn the pros and cons of ADS-B traffic on your iPad.
- 11:00 - 11:45 Advanced iPad Flying with John Zimmerman**
From the basics of weather theory to real world tips about flying, this seminar is packed with information you can use on your next flight.
- 12:00 - 12:45 NORAD: TFRs, Special Use Airspace, and Intercepts with Lt. Col. Kevin Roethe**
Learn how to avoid TFRs and what you should do if intercepted.
- 1:00 - 1:45 Jeppesen: Cleared For Takeoff with James Morgan**
Get detailed info on airport diagrams, including how charts are indexed, revision and effective dates, lighting, usable runway lengths, alternate and takeoff minimums, and more.
- 2:00 - 2:45 Future-Proof Avionics: New Panels for Old Airplanes with Tom Haines**
A building block to upgrading your avionics for a lifetime of flying.

.....
April 21-26, 2015

There's so much to do and see
and learn at the AOPA tents!

.....

we'll see you there!

▶ **WEDNESDAY, APRIL 22**

- 9:00 - 10:30** **FREE! Coffee and Donuts w/ AOPA President Mark Baker: AOPA Pilot Town Hall**
Talk with AOPA President Mark Baker and learn about AOPA's latest efforts in Washington, D.C. and other key AOPA initiatives over fresh coffee and donuts.
- 11:00 - 11:45** **Garmin: Using the iPad to Plan, File, and Fly with Jan Mackenzie**
Learn how to turn your iPad into the ideal cockpit companion.
- 12:00 - 12:45** **Lockheed: Not the Flight Service Station You Once Knew with Joe Daniele**
Fly more safely by learning more about Lockheed Martin's newest pilot-centric capabilities available at www.1800wxbrief.com.
- 1:00 - 1:45** **The Kings on Unwanted Adventure with John & Martha King**
Combining humor and real-world experience, the King's will present the "universal lessons" they learned from years of traveling by light plane throughout the U.S.
- 2:00 - 2:45** **The Art of Aerial Photography with Chris Rose**
Join AOPA Photographer Chris Rose as he discusses the techniques and challenges with capturing the images that appear in the association's publications each month.
- 3:00 - 3:45** **FreeFlight: What is ADS-B? with Peter Ring**
Learn about the "ins" and "outs" of ADS-B, why it exists, and what we as pilots need to do in order to meet this basic mandate requirement.

▶ **THURSDAY, APRIL 23**

- 10:00 - 10:45** **Handling In-Flight Emergencies with Rod Machado**
Rod will provide you with ideas for successfully avoiding and coping with some of the most serious airborne problems.
- 11:00 - 11:45** **Patty Wagstaff Autograph Signing**
Get an autograph and take a photo with the most well-known female pilot in the world! Located outside the main AOPA tent.
- 11:00 - 11:45** **Maximum Fun, Minimum Cost - Building and Growing a Flying Club with Kelby Ferwerda**
Join AOPA Flying Club Manager, Kelby Ferwerda, in a discussion about affordable, social flying.
- 12:00 - 12:45** **AOPA Air Safety Institute: Loss of Control with Bruce Landsberg**
Recently added to the NTSB's "Most Wanted" list of safety concerns, you won't want to miss these life-saving tips and advice on an important topic by a leading expert.
- 1:00 - 1:45** **AOPA Air Safety Institute: Accident Case Study Live with George Perry**
Aims to put a new spin on safety-oriented accident analysis, working through physical evidence, eyewitness testimony, and other leads to figure out exactly what went wrong, and why.
- 2:00 - 2:45** **Avidyne: Improving Technologically Advanced Cockpits with Tom Harper**
Studies of Technologically Advanced Aircraft (TAA) by the NTSB and AOPA Air Safety Institute provided significant findings and safety recommendations. Learn how Avidyne has leveraged these findings in the development of next generation avionics.

▶ **FRIDAY, APRIL 24**

10:00 – 10:45 Laugh and Learn with Rod Machado

Laugh and learn with Rod as he shares some of the newest and craziest stories from his most recent as well as his past adventures.

11:00 – 11:45 Patty Wagstaff Autograph Signing

Get an autograph and take a photo with the most well-known female pilot in the world! Located outside the main AOPA tent.

11:00 – 11:45 Mind over Matter: Strengthening the Weakest Link with George Perry

Being a safe pilot requires more than good stick and rudder skills. Learn simple techniques to increase pilot performance and reduce pilot error from the leadership of AOPA's Air Safety Institute.

12:00 – 12:45 Garmin ADS-B Solutions for the Future with Jim Alpiser

This seminar will discuss the technicalities surrounding ADS-B, address commonly asked questions, and highlight a variety of Garmin Vantage ADS-B solutions that can help aircraft owners receive added safety benefits while satisfying global ADS-B requirements.

1:00 – 1:45 The Top 5 Things You Need to Know About FAA Enforcement with Kathy Yodice

Be prepared should you find yourself stopped on the ramp by the FAA or in receipt of a certified letter. Learn how to be cooperative and avoid acting against your best interests with the valuable tips and information you'll get from this important seminar.

2:00 – 2:45 Weather and Traffic on Your iPad: What You See and What You Don't with Eric Rush

An incomplete picture could lead to disaster if you don't know what you're missing. Learn the pros and cons of ADS-B traffic on your iPad.

▶ **SATURDAY, APRIL 25**

7:30 – 11:00 Rusty Pilots Breakfast and Seminar with Mark Grady

Life may have gotten in the way, but the dream of flight can be yours again. Find out how returning to the skies is easier than you may think.

11:00 – 11:45 Patty Wagstaff Autograph Signing

Get an autograph and take a photo with the most well-known female pilot in the world! Located outside the main AOPA tent.

12:00 – 12:45 Reducing Cockpit Stress Between the Sexes with Rod Machado

Use Rod's ideas to help smooth cockpit relations to allow you and your cockpit companions to have an enjoyable and safer flight.

1:00 – 2:00 Free! Ice Cream Social w/ AOPA President Mark Baker: AOPA Pilot Town Hall

Cool off with refreshing ice cream while AOPA President Mark Baker talks about the AOPA's latest efforts in Washington, D.C. and other key AOPA initiatives.

▶ **SUNDAY, APRIL 26**

10:00 – 10:45 The Breitling Jet Team: The Inside Scoop with Jacques Bothelin

Jacques will talk about the jet team's first performance in North America at Sun 'n Fun as well as team training, maneuvers, and demonstrations they perform. Q & A follows.

11:00 – 11:45 After the Crash: Surviving an Aircraft Accident with Mark Grady

Although the odds of a crash are slim, the potential consequences are harsh. Learn how to prepare and take basic precautions to maximize your chances of survival and rescue.

12:00 – 12:45 NORAD: TFRs, Special Use Airspace, and Intercepts with Lt. Col. Kevin Roethe

Learn how to avoid TFRs and what you should do if intercepted.

1:00 – 1:45 Jeppesen: Climb Via... with James Morgan

James will provide you with detailed information on departure charts and flying a full departure procedure.
