KEEP THE KIDS BUSY WHILE YOU'RE IN ONE OF
OUR FRIDAY WORKSHOPS AT THE NORMAN FLY-IN!

ENROLL THEM IN THE OU SOONER FLIGHT ACADEMY DAY CAMP!

When: Friday, September 8
8:30 a.m. sign-in;
4:30 p.m. pick-up

Where: Sooner Flight Academy,
Hangar Building NC210

Who: Kids ages 6-11

Cost: \$60 per kid, materials
and lunch included

The OU Sooner Flight Academy has planned a day full of kid-oriented aviation activities to keep your future pilots engaged all day long. Here's what they can do:

- Play with Styrogliders and model rockets
- Conduct a pilot's pre-flight inspection
- Learn about the parts of a plane, the four forces of flight, and the science behind Bernoulli's principles
- Enjoy an aviation-themed magic show with magician Steve Crawford
- Watch a movie on the hangar's big screen

Plus, it all coincides with the pilot workshops, so the kids will have a great time and you won't miss a thing!

Lunch and all materials will be provided. **Pre-registration is required** and is **limited to the first 72 kids.**
