

2021 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY

WELCOME TO THE 2021 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY. This directory lists the colleges and universities in the United States that offer associate, bachelor's, or master's degrees in an aviation field. We show which type of degree is offered, and in which discipline(s).

This directory is the largest, most comprehensive source of collegiate aviation programs available. But programs in the university environment are dynamic today. Please email flighttraining@aopa.org with any questions, comments, or updates. —*The Editors*

Check AOPA's website for a database that contains even more information about each school.
aopa.org/colleges

¹ Distance learning

² VA approved

Degree types: A Associate / B Bachelor's / M Master's

Degree areas: Air traffic control / Aircraft maintenance / Airport management / Aviation business administration / Aviation management / Maintenance management / Professional pilot / Unmanned aerial systems
