WELCOME TO THE 2024 **FLIGHT TRAINING COLLEGE AVIATION PROGRAM DIRECTORY**. This directory lists the colleges and universities in North America that offer associate, bachelor's, or master's degrees in an aviation field. We show which type of degree is offered, and in which discipline(s).

This directory is the largest, most comprehensive source of collegiate aviation programs available. But programs in the university environment are dynamic. Please email [flighttraining@aopa.org](mailto:flighttraining@aopa.org) with any questions, comments, or updates. —The Editors
