

# Teacher Workshop Agenda

## AOPA Foundation High School Aviation STEM Curriculum

The **morning sessions** will focus on building understanding and exploring key concepts in the curriculum. Participants will engage in content-focused learning, review important information, ask questions, and discuss practical ways to implement ideas in their own contexts. These sessions emphasize reflection, conversation, and collaborative exploration to set the stage for deeper application later in the day.

The **afternoon sessions** shift from discussion to action. Participants will work through hands-on labs and activities drawn directly from the curriculum. These lab-based experiences provide time to experiment, practice new skills, and engage directly with the tools, processes, and instructional strategies in a guided environment.

DAY 1	
8:30 a.m. – 9:00 a.m.	<b>Registration</b>
9:00 a.m. – 9:15 a.m.	<b>Opening General Session – Welcome</b>
9:15 a.m. – 12:00 p.m.	<b>Morning Training</b> <ul style="list-style-type: none"><li>• Introduction to the Curriculum</li><li>• AOPA YCF Overview</li><li>• Curriculum Deep Dive</li></ul>
