

Nov. 13-14, 2026

Hyatt Regency
Phoenix Downtown,
Phoenix, AZ

EXHIBITOR & SPONSOR PROSPECTUS

Building on the foundation of the AOPA Aviation High School STEM Curriculum, the **AOPA Aviation Career Expo** brings together a diverse pipeline of talent, from college graduates to career changers and industry professionals, at a dedicated two-day event focused on entering and advancing within the aviation workforce.

Step into a high-energy, convention-style exhibit hall where aviation leaders showcase opportunities, connect face to face with candidates, and build meaningful recruiting relationships.

More than an exhibit floor, the Expo is a fully immersive hiring environment with dedicated spaces for resume reviews,

interview prep, and on-site interviews, designed to move candidates from introduction to opportunity in real time.

Meet candidates in person, strengthen your talent pipeline, and shape how the next generation of aviation professionals sees your organization.

Participating in the inaugural **AOPA Aviation Career Expo** demonstrates your commitment to growing a skilled, diverse, and future-ready workforce.

Recruit. Connect. Inspire.

Exhibit Opportunities

The aviation industry's future depends on building strong connections between today's employers and tomorrow's professionals. The **AOPA Aviation Career Expo** brings these groups together in one focused environment designed to support workforce development, recruitment, and career advancement across the aviation industry.

Direct Access to Qualified Aviation Talent

- Meet motivated candidates actively pursuing aviation careers.
- Connect with post-graduate students, early-career professionals, and second-career entrants who are ready to enter the workforce.
- Identify prospects for immediate hiring, internships, cadet programs, and training pipelines.
