

AIRCRAFT CAMPING

AOPA Fly-In – Plymouth Municipal Airport, July 11-12, 2014

We are pleased to announce that pilots and guests may camp with their aircraft at the AOPA Fly-In at Plymouth Municipal Airport (KPYM) on Friday and Saturday nights, July 11-12. Space is limited, so an **RSVP and camping credentials will be required**. ***Deadline to RSVP is Thursday July 10, 5 pm (ET)***. This is a first-come, first served opportunity, and once the camping area is full, aircraft will need to park in general transient parking and camping will be away from those aircraft. There is no charge for camping.

Friday Evening Event for Campers...The combination of sharing a meal while talking with fellow pilots and friends just can't be beat. Come enjoy great conversation, a great meal and a great time.

6pm-8pm... A delicious catered meal will be available to campers. Catered by ***Plane Jane's Place***, the menu is Classic Lasagna, Chicken Broccoli Alfredo and a Classic Tossed Salad. Soda and water will also be provided. **\$10 per person** (*please bring cash...no credit cards or checks*)

How To RSVP

To camp with your aircraft, **you must RSVP** by emailing events@aopa.org and putting "PYM Camping RSVP" in the subject line. Please include:

- **Aircraft type and N#**
- **Friday and/or Saturday night camping**
- **Amount of folks in your party who will participate in the Friday evening dinner.**

A confirmation will be sent out within 2 days of your RSVP.

Camping Area and Campsite Rules and Responsibilities

- Aircraft for camping will be parked in the grass on the approach end of Runway 15.
- Only one tent per plane unless a second tent is needed for immediate family members. All tents must fit within the footprint of the aircraft.
- Please use caution when starting engines to be certain pedestrians and other campers are safely away from the aircraft.
- Alcohol beverage consumption is prohibited on airport property.
- Smoking is prohibited on airport property.
- Pets are not permitted on airport property.
- Coolers must remain secured at your campsite location.
- Portable restroom facilities will be available to include hand washing stations. **No shower facilities will be provided**. This is "primitive camping", so please be prepared for your personal comfort.

Fire Safety

The Plymouth Municipal Airport Authority **strictly prohibits wood campfires and charcoal grills** anywhere on airport property and in the aircraft camping areas.

Use of white gas or propane-fired camp stoves is allowed in aircraft camping, provided they are used in an area well away from parked aircraft and that the stove is attended at all times. It is strongly recommended that aircraft near the stove be checked for any fuel fumes or leakage, and the stove be elevated above ground level.
