TRAINING

How many of you know somebody who has experienced this?

Or this?

Time is Money

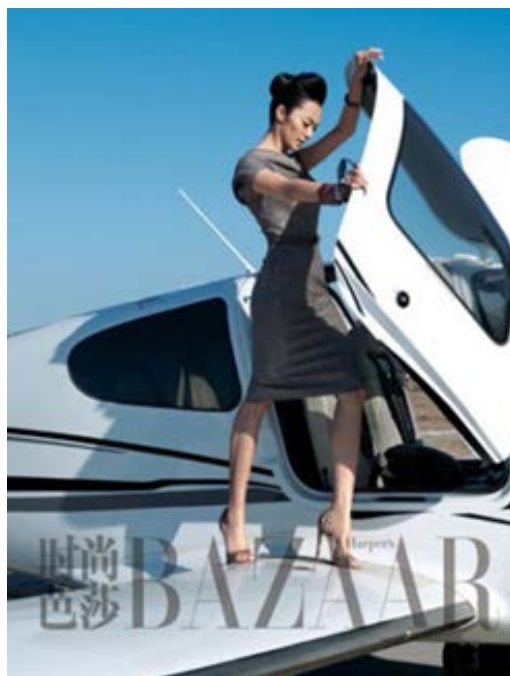

High Performance Single Engine Business Aircraft

The Economic Case for
**High Performance
Single-Engine Piston
Business Aircraft**

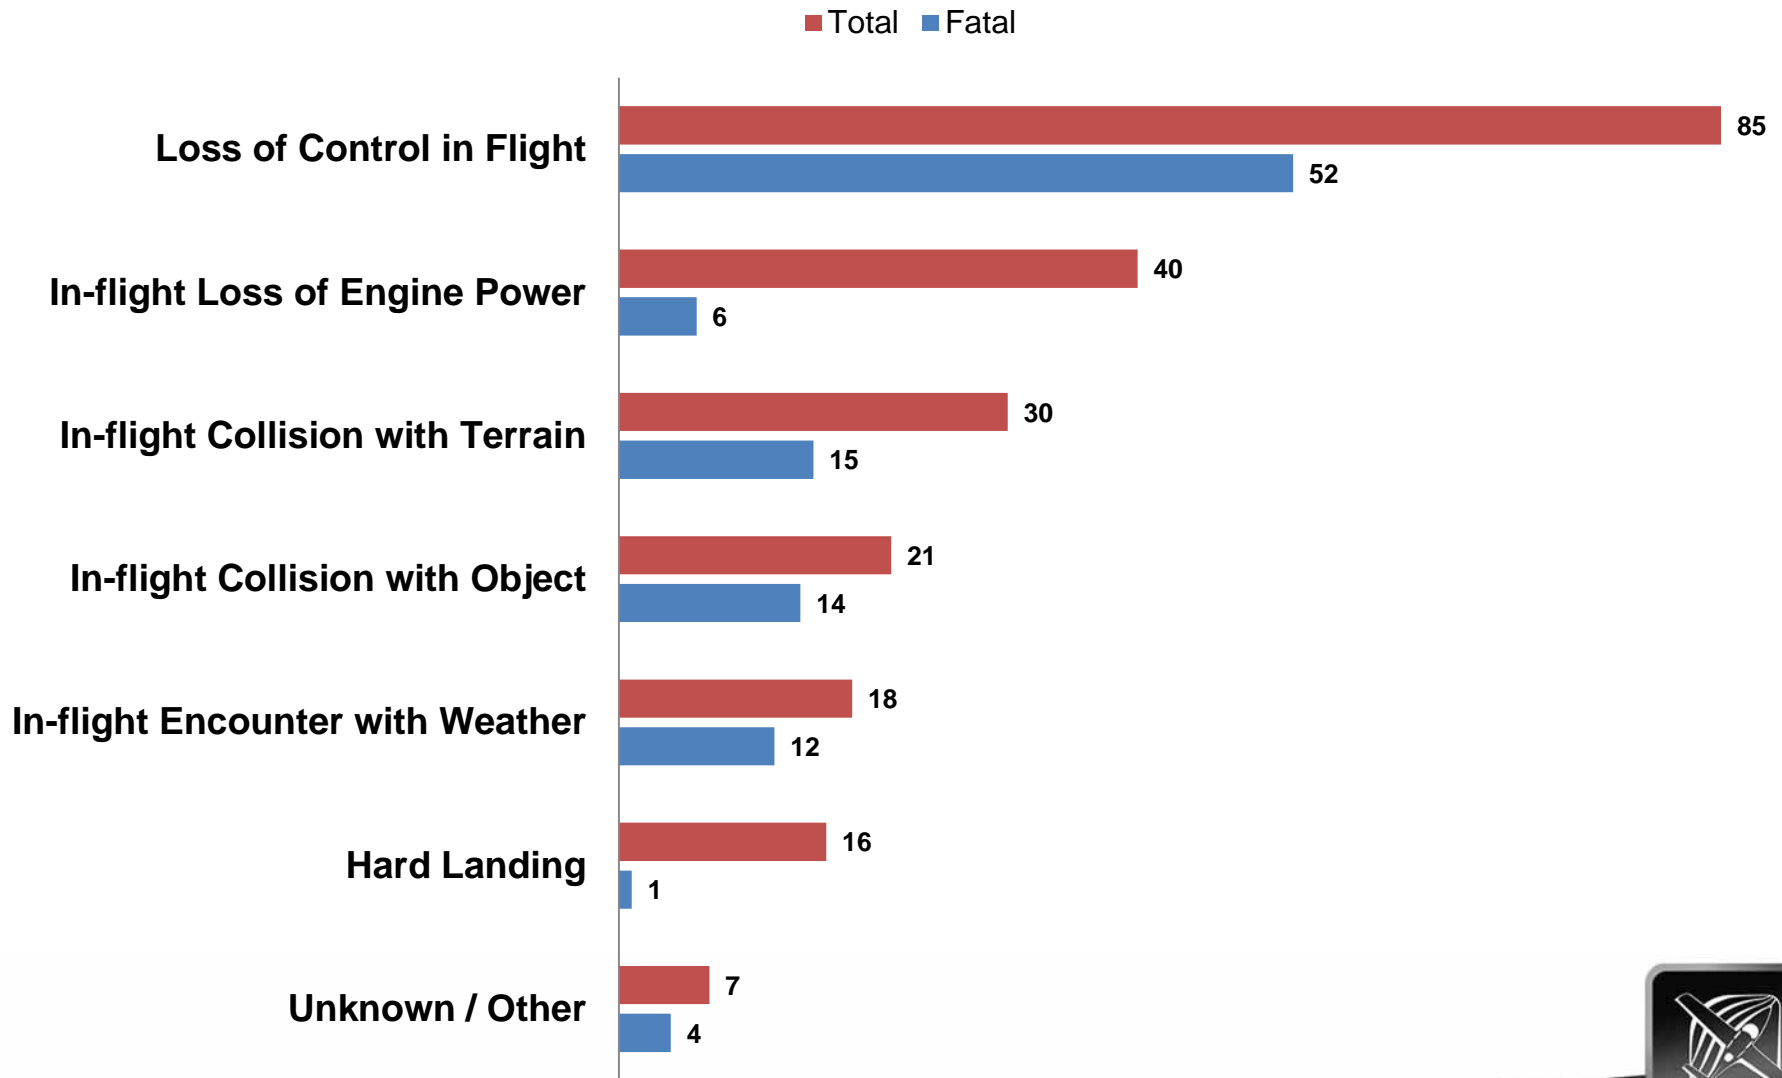

-By Peter v. Agur, Jr.

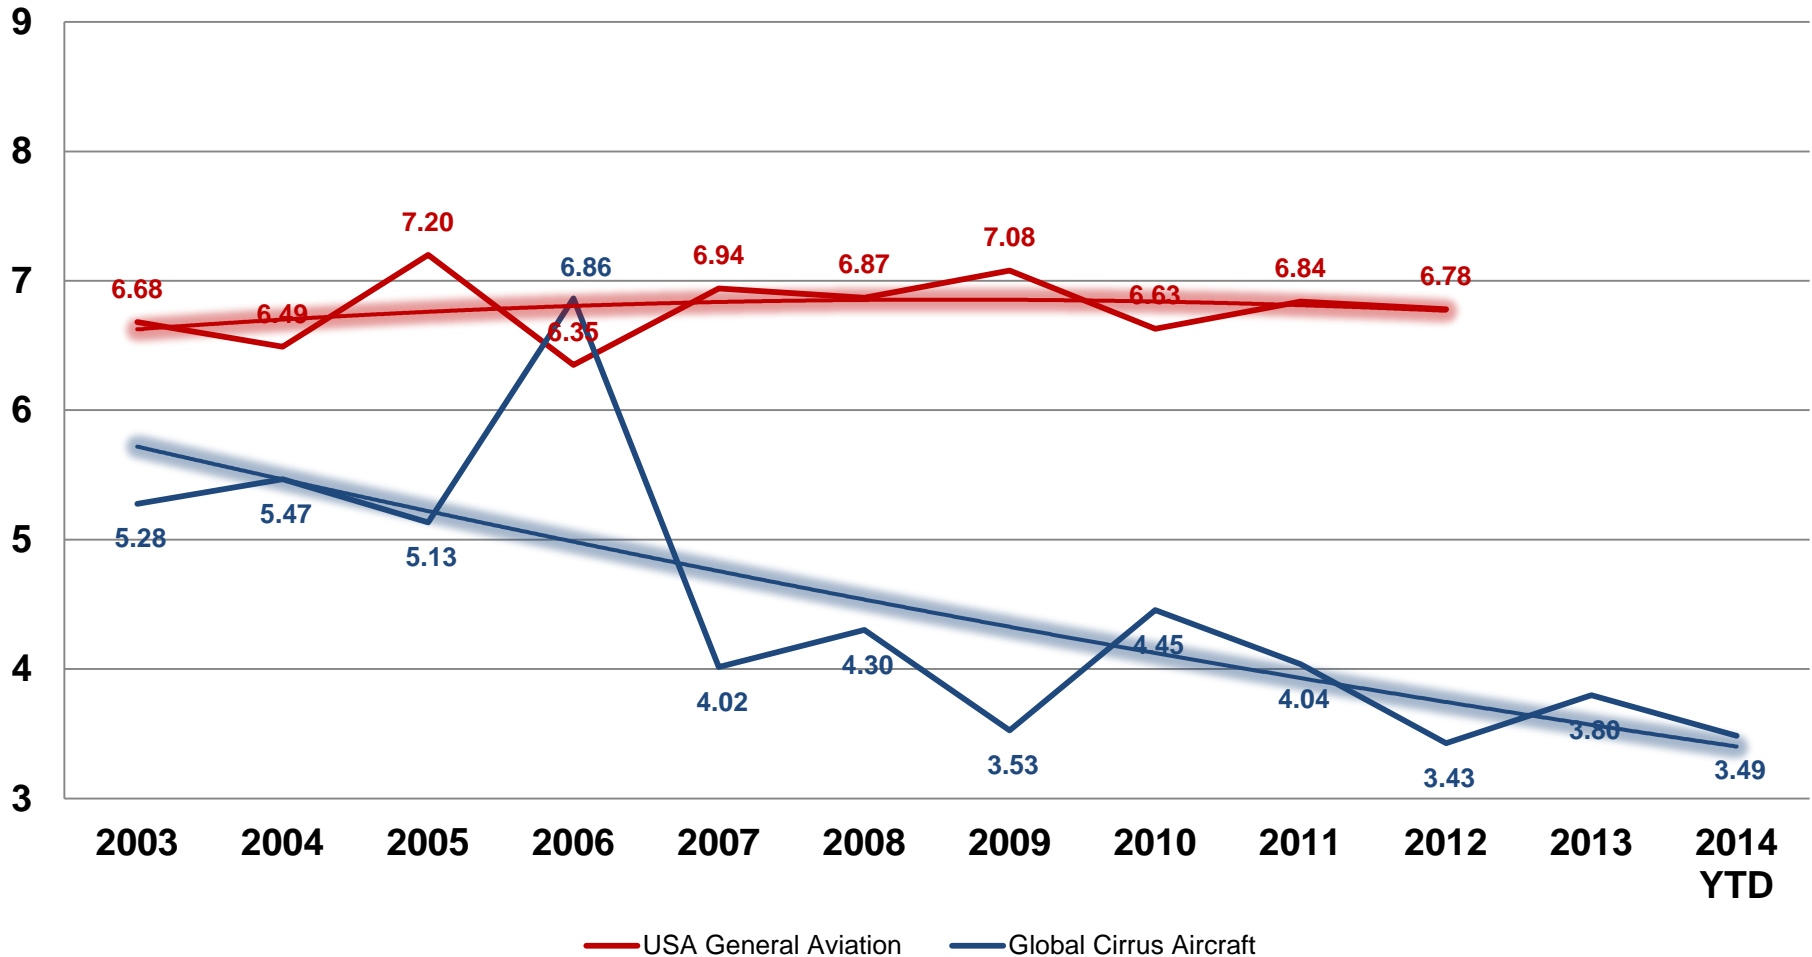

Accidents by Probable Cause

Total Accidents per 100,000 Flight Hours

*Cirrus data from Cirrus Aircraft Engineering and Air Safety departments based on warranty claim and CAPS repack data

*GA data from NTSB

As of 7/29/2014

Creating the World's Safest *Pilots*

- Cirrus has been building aircraft with the highest *Safety Potential* in the world
- Pilot error accidents are preventing Cirrus from being the safest aircraft in the world
- Cirrus is now focusing on creating the safest *pilots* in the world

Technology

Change

Your

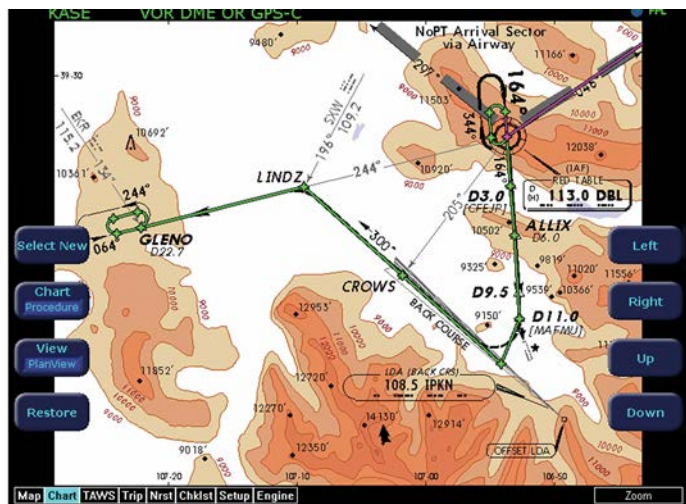

Daily

Life

Safety ! Simple ! Enjoy ! Fast !

Electronic Charts
