WELCOME TO AOPA

A passionate community of pilots, aircraft owners & aviation enthusiasts

You've just boosted your power to fly. Whether you're just getting started in aviation or you have been flying for years, AOPA offers you the resources, tools, and support you need to soar as far and high as you want.

Whatever your need as a member may be—straight answers to challenging questions, pilot protection options, safety advice, advocacy updates, travel guides, and more—we have answers for you. This high-level guide will get you started understanding the wide range of services and opportunities you can access as an AOPA member.

I encourage you to take full advantage of everything AOPA has to offer. Our members range from student pilots to corporate pilots, from owners to operators, from diehard general aviation enthusiasts to those just discovering this amazing world. In short, there's something at AOPA for anyone with a love and passion for flying.

We're never more than a phone call or email away. So if there's ever anything we can do to help you get the most from your membership or further discover GA, please let us know. **By joining AOPA you haven't just joined an organization, you've joined a community.**

Mark R. Baker
AOPA President and CEO

"Whether you're getting started in aviation or you've been flying for years, AOPA offers you the resources, tools, and support you need to go as far as you want to go."

AIRPORT DIRECTORY
Everything you need to know about where you're going next—from information critical to a safe landing to where to stay, eat, and what events to attend.

ADVOCACY

No one fights harder for your freedom to fly than AOPA. Whether it's at the federal, state, or local level, your dues and boots-on-the-ground efforts protect the rights of general aviation pilots nationwide.

Legislative Wins

AOPA is consistently named one of the top advocacy organizations in the nation. Our legislative wins include BasicMed, the defeat of ATC privatization, and FBO pricing transparency.
aopa.org/pilotadvocacy

AOPA PAC

Our political action committee supports the legislators who support general aviation, and is another way AOPA makes a material difference for pilots like you.
aopa.org/politicalaction

Airport Support Network

ASN volunteers are people like you, AOPA members working in conjunction with AOPA staff to preserve and protect airports across the United States.
aopa.org/supportnetwork

"I love Pilot Protection Services more than anything else about my AOPA membership."

Every pilot needs a solid ground crew. We'll be yours.

PROTECTION

Legal services. Medical-certification specialists. We're here to help when you need us most, for those times when struggles with health and the FAA can't be avoided.

Pilot Protection Services Basic*

Covers student pilots and those operating under the categories of Light Sport, Private Pilot, UAS Hobby, and Recreational (Non Part 107).

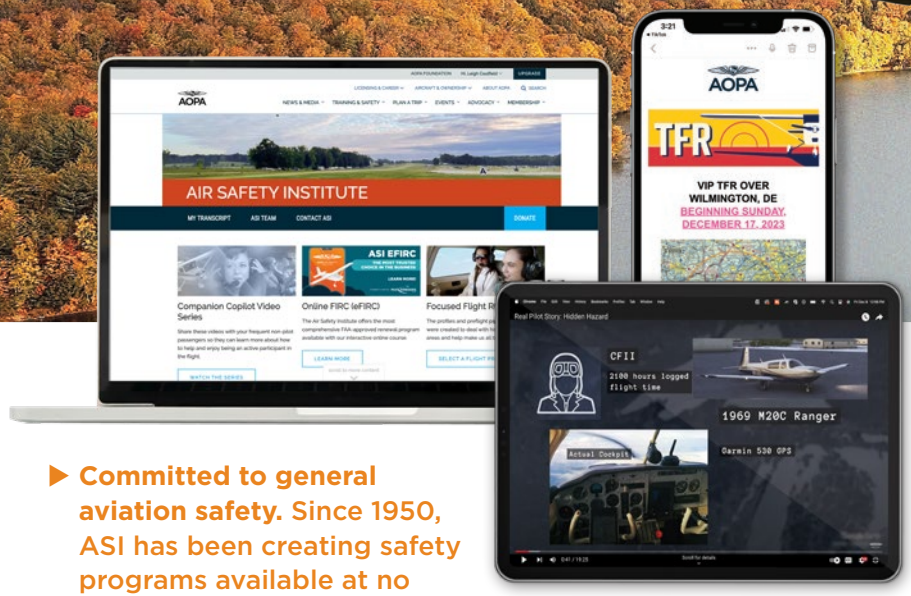
Pilot Protection Services Plus*

Covers pilots operating under ATP, Commercial, Flight Instructor, and UAS Part 107 certificates, or for those who simply want added coverage.

**Additional payment required. Not included in regular membership.*

SAFETY

Aviation safety requires constant learning. AOPA resources—including accident analysis, accident case studies, and real pilot-story videos—will keep you sharp and on your safety game.



▶ **Committed to general aviation safety.** Since 1950, ASI has been creating safety programs available at no charge to the GA pilot community.

AOPA AIR SAFETY INSTITUTE

Safety resources ready at your finger tips.

AOPA Air Safety Institute is funded by generous donations to the AOPA Foundation.

Air Safety Institute

ASI's leadership in offering award-winning aviation safety content is evident in its videos, podcasts, seminars, and publications, offering you insightful accident analysis and best-practice safety recommendations. **aopa.org/airsafetyinstitute**

Safety Quizzes

Our quizzes address a new topic each week, and are an engaging way to find out what you know (or don't know) about a critical safety subject. **aopa.org/quiz**

Temporary Flight Restrictions

TFRs can catch even the best pilots off guard, so AOPA sends alerts straight to your email inbox. **aopa.org/tfrupdates**

EDUCATION

Whether you're just learning to fly or getting back in the air after years on the ground, good pilots are always learning. AOPA members have ready access to learning opportunities both formal and informal.
