90.00	Aviator Zone is an exceptional flight school that I wholeheartedly recommend to anyone looking for a place to begin their aviation journey. When I first joined as a dispatcher, I had no intention of pursuing a career in aviation. But the passion and encouragement from the staff, instructors, and students completely changed my perspective. Their energy was contagious, and after taking my discovery flight, I fell in love with flying. Detractor: Less likely to use your services again and may not speak highly of your services to others.

Passive: Generally somewhat satisfied, passive respondents likely won't help or hurt your business in talking to other people.

Promoters: Ideally, all of your customers would be promoters. Promoters would fly with you again in the future and would tell others how great they think you are.

Response Choice	Frequency	%
Promoter	61	96.83%
Passive	1	1.59%
Detractor	1	1.59%
